SCC SNOWMOBILE CHAINCASE OIL

>>Description

Torco SCC Snowmobile Chaincase Oil is a 100% synthetic fluid designed to exceed the extreme pressure and low temperature demands of snowmobile chaincase drive applications. Formulated with Torco's exclusive MPZ® chemistry, SCC reduces friction, reduces wear, improves power efficiency and extends the life of highly stressed drive components. SCC also contains anti-rust, anti-corrosion and anti-foam chemistries.

>>Features

- >100% synthetic formula
- >MPZ frictional loss technology
- >Shear resistant and thermally stable
- >Protects under severe shock loads, heat and high speeds
- >Superior anti-rust and anti-corrosion

>>Application

Recommended for use in chaincase drives commonly found in Arctic Cat®, Polaris®, Ski-Doo®, Yamaha® and many other applications. SCC is highly recommended for high output and racing application.

Exceeds manufacturer warranty requirements. Exceeds API GL-4.

>>Typical/Test Data

Description	ASTM#	SCC
Appearance	Visual	Amber
Viscosity @ 100°C	D-445	7.3
Viscosity @ 40°C	D-445	37.77
Pour Point, °C	D-97	-40
Flash Point, °C	D-92	215

>>Directions

Follow manufacturer fill level requirements. Compatible with other petroleum and synthetic lubricants.

>>Package Sizes / P/N

Description	SCC
500mL Bottle	S790010YE
12/500mL Case	S790010Y
5 Gallon Pail	S790010E
55 Gallon Drum	S790010B
