

## TC-W3 OUTBOARD 2-CYCLE OIL

### >>Description

Torco TC-W3 Outboard 2-Cycle Oil is an NMMA certified oil formulated to improve power efficiency, reduce emissions and minimize engine deposits. A select combination of synthetic base oils, petroleum base oils and ashless additives provide superior engine protection, low and high temperature detergency and super clean performance for outboard 2-stroke engines. Torco TC-W3 Outboard 2-Cycle Oil reduces emissions and visible exhaust smoke in comparison to other TC-W3 certified oils.

### >>Features

- >Synthetic blend formula
- >Provides superior detergency for clean, deposit free operation
- >Excellent engine protection
- >Protects under the high loads and elevated engine temperatures

### >>Application

Recommended for use in water cooled two stroke engines commonly found in Mercury®, Johnson®, Evinrude®, Suzuki®, Yamaha® and many other outboard two stroke applications.

NMMA TC-W3® (Certification No. R-90251)

Formulated to exceed outboard manufacturer specifications.

### >>Typical/Test Data

Description	ASTM#	TC-W3
Appearance	Visual	CL/Blue
Viscosity @ 100°C	D-445	6.3
Viscosity @ 40°C	D-445	34
Pour Point, °C	D-97	-35
Flash Point, °C	D-92	70

### >>Directions

Formulated for injection or premix applications. Use at full strength in injector systems. For best performance in premix applications, TC-W3 is recommended at a ratio of 50:1.

### >>Package Sizes / P/N

Description	TC-W3
1-Liter (1.056 US QT)	W953033CE
12/1-Liter Case	W953033C
1-Gallon Jug	W953033FE
6/1-Gallon Case	W953033F
5 Gallon Pail	W953033E
55 Gallon Drum	W953033B
