ATV Sport 4 STROKE RACING OIL SAE 15W/40

>>Description

Torco ATV Sport 4-Stroke Oil is a blend of specially selected synthetic and petroleum base oils for off-road four-stroke ATV and Side x Side engines. Under typical conditions these engines use lower oil volumes, run at elevated engine temperatures, higher RPM's, severe shock loads and endure active clutch use. Due to these conditions, ATV Sport was designed with high V.I. base oils and unique polymers to provide extreme thermal and shear stability. Special additive systems improve ring seal, protect valve train, eliminate deposits, control foam, and provide smooth, positive clutch activation. ATV Sport provides unmatched shock load and extreme pressure protection for integrated transmissions.

>>Features

- >Synthetic blend technology
- >No friction modifiers
- >Off-road specific formula
- >Improves ring seal and shifting
- >Provides smooth, positive clutch activation
- >Superior anti-wear and deposit-free performance

>>Application

For use in air cooled or liquid cooled four-stroke engines commonly found in Honda®, Kawasaki®, Suzuki®, Yamaha®, KTM®, Husqvarna® and other four-stroke off-road motorcycle applications. Exceeds manufacturer warranty requirements. Exceeds API SG / JASO-MA.

>>Typical/Test Data

SAE Grade ASTM# 15W/40
Appearance Visual Amber
Viscosity @ 100°C D-445 16.1
Viscosity @ 40°C D-445 116.28
Pour Point, °C D-97 -15
Flash Point, °C D-92 240

>>Directions

Follow manufacturer's fill level requirements. Compatible with other petroleum and synthetic lubricants.

>>Package Sizes / P/N

SAE Grade 15W/40
1-Liter (1.056 US QT) T691540CE
12/1-Liter Case T691540C
5 Gallon Pail T691540E
55 Gallon Drum T691540B
